We pledge to be your trusted partner, providing expertise, reliability, and unwavering support as we work toward a sustainable future. Why Choose Solartech?

How much does a solar inverter cost?

Solar Inverter The cost of an inverter usually varies between 90k PHP and 240k PHP. How high the actual costs are depends heavily on the device's functionality and manufacturer. However, don't skimp on the inverter because the more conversion losses the inverter causes, the more yield you lose.
