Now imagine powering hospitals, data centers, or EV charging stations without reliable grid access. That's the reality for 940 million people worldwide still living without stable ...

Hi, kind people I have a confusion between get off work and take off work. I want to ask my friend when he stops his work at his job for the day. So should I ask him like this: ...

The Mobil-Grid[®] is a plug-and-play PV power generator with a built-in control cell housed within a semi-mobile container. It is the first containerised mobile solar power generator that is ...

One of the fascinating trends hitting the container industry in recent years is the use of shipping containers for off-grid applications. An "off-grid" container is a modified unit that can operate ...

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal ...

Someone uses "off" as a measurement unit, such as "2 off tablets". But I can't find this meaning in dictionary. Is it a non-standard usage, or just a very old one? Thanks~

Also, "starting off" could be replaced by "starting out". The issue is not whether "to start off" can be followed by a gerund/participle or an infinitive; it is the intended meaning of ...
